I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The New Mexico Disability Determination Services (NMDDS) is an agency, which is part of the New Mexico Division of Vocational Rehabilitation (NMDVR). The NMDDS's objective is to provide New Mexico residents applying for disability benefits under Title II and Title XVI of the Social Security Act an accurate and timely determination regarding his/her eligibility for Social Security disability benefits. The NMDDS wishes to satisfy its responsibilities to review Social Security Administration (SSA) Disability Claims through contracting with appropriately licensed health professionals in the State of New Mexico qualified to perform such reviews.

The SSA requires that the majority of disability decisions be reviewed and signed by both an experienced Disability Adjudicator and by a licensed physician, psychiatrist, and/or psychologist, all of whom are considered Medical Consultants (MC) for the purpose of this RFP. The NMDDS will contract with a sufficient number of licensed physicians, psychiatrists and psychologists to meet this requirement. The contracts issued under this RFP will be for the NMDDS adjudication process. The difference between a new MC, an Independent MC and an Experienced MC is explained in Section IV(A) 13-15 of this RFP.

POTENTIAL OFFERORS WITH UNEXPIRED MEDICAL CONSULTANT CONTRACTS CURRENTLY IN EFFECT WITH THE NMDVR DDS MAY SUBMIT A PROPOSAL REGARDLESS OF THE EXPIRATION DATE ON THE CURRENT CONTRACT.

B. BACKGROUND INFORMATION

Adjudication:

Nationally, the SSA contracts with 52 individual States and territories to provide disability determination services for Title II and Title XVI eligible recipients. Title II, or Social Security Disability Insurance (SSDI) is a monthly benefit paid to eligible individuals who cannot work due to a serious physical or mental disability. The SSDI program provides disability benefits to insured individuals who become unable to work because of illness or injury which is expected to last at least 12 continuous months or which may be expected to result in death. Title XVI, or Supplemental Security Income (SSI), is a needs based program that provides coverage for adults and children in households whose income and resources are below a certain level. There is no requirement for prior employment. Applicants for SSI must meet the same definition of disability described above. Eligible children under age 18 are considered disabled if they are unable to function in a manner similar to children of the same age group.

In New Mexico, SSA contracts with the NMDDS through their parent agency, NMDVR, to adjudicate cases for the residents of New Mexico. SSA funds the NMDDS at 100% to include, but are not limited to, administrative overhead to NMDVR. Because of the 100% funding, SSA maintains extensive control over the day-to-day operations at the NMDDS. Those controls include federal ownership of the majority of hardware and software; data entry and data proprietorship; required background checks; approval/disapproval over ability to replace or hire additional FTEs; training requirements for staff; performance measures for the NMDDS; and, staffing patterns. Currently, there are approximately twenty-two (22) contracted medical consultants at the NMDDS devoting 20-40 hours a week of contracted time conducting reviews of disability claims.

C. SCOPE OF PROCUREMENT

The contract shall become effective upon approval of the Department of Finance and Administration and shall continue for four fiscal years at the discretion of the Division of Vocational Rehabilitation contingent upon sufficient funding and satisfactory Scope of Work performance. 1. Provide medical/psychiatric, psychological and/or speech/language assessments or consultations according to Disability Evaluation under Social Security guidelines to the Adjudicators and other staff, as necessary, regarding the type of medical development needed to complete a detailed assessment of an applicant's impairment(s) for purposes of a Social Security disability determination, as follows:
 - a. Training in the use of Document Management Architecture and the Electronic Worksheet will be provided;
 - b. Consultation consists of meeting/discussing with Adjudicative and other agency staff the adequacy of medical/psychological/psychiatric and other evidence, completing assessment forms and/or describing alternative actions;
2. Review the case and assist the Adjudicator with determining whether or not a disability claim is properly documented, that all significant facts are recorded, that conflicting evidence is reconciled, that credibility of evidence and allegations is assessed, and that the conclusions are sound and well rationalized;
3. Contact by telephone or letter, when necessary, sources of medical evidence of record,

consulting physicians, hospitals, or any other source that may provide medical, psychiatric or psychological information;

4. Work all cases assigned by the NMDDS unless a prior professional or personal relationship exists with the claimant;

C. GENERAL REQUIREMENTS

1. Acceptance of Conditions Governing the Procurement

Potential Offerors must indicate their acceptance of the Conditions Governing the Procurement section in the letter of transmittal. Submission of a proposal constitutes acceptance of the Evaluation Factors contained in Section V of this RFP.

2. Incurring Cost

Any cost incurred by the potential Offeror in preparation, transmittal, and/or presentation of any proposal or material submitted in response to this RFP shall be borne solely by the Offeror. Any cost incurred by the Offeror for set up and demonstration of the proposed equipment and/or system shall be borne solely by the Offeror.

3. Prime Contractor Responsibility

Any contractual agreement that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of all requirements of the contractual agreement with a state agency which may derive from this RFP. The state agency entering into a contractual agreement with a vendor will make payments to only the prime contractor.

4. Subcontractors/Consent

The use of subcontractors is allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from the agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. The Agency personnel will not merge, collate, or assemble proposal materials.

6. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

7. Proposal Offer Firm

Responses to this RFP, including proposal prices for services, will be considered firm for one hundred eighty (180) days after the due date for receipt of proposals or one hundred twenty (120)

days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. Disclosure of Proposal Contents

- A. Proposals will be kept confidential until negotiations and the award are completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:
- B. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.
- C. Confidential data is restricted to:
 - 1. confidential financial information concerning the Offeror's organization;
 - 2. and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA 1978 § 57-3A-1 to 57-3A-7.
 - 3. PLEASE NOTE: The price of products offered or the cost of services proposed **shall not be designated** as proprietary or confidential information.

If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the State Purchasing Division or the Agency shall examine the Offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

9. No Obligation

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the agency determines such action to be in the best interest of the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be effected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied, in writing, by the Agency through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Sample Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. Please see Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

As noted in Section I, B, because contractors provide services to SSA applicants on SSA computer systems, potential contractors **MUST** complete the Federal Investigations Notice, Fair Credit Reporting Act of 1970, as amended, along with the "Declaration for Federal Employment". This is required as part of Homeland Security Presidential Directive-12 (HSPD-12) and required in order to access SSA computer systems. Contract offers are contingent on the above referenced documents being completed. Once completed, SSA will perform appropriate background checks and determine if a contractor is favorable or unfavorable. If found favorable, the contracting process may continue. If found unfavorable, negotiations cease. **Determinations at this level are final.**

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

26. Electronic mail address required

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror must have a valid e-mail address to receive this correspondence. (See also Section II.B.5, Response to Written Questions).

27. Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. In the event of conflict between a version of the RFP in the Offeror's possession and the version maintained by the agency, the Offeror acknowledges that the version maintained by the agency shall govern. - B. Offeror must agree to maintain a record of the number of employees who have (a) accepted health insurance; (b) decline health insurance due to other health insurance coverage already in place; or (c) decline health insurance for other reasons. 4. Contact by telephone or letter, when necessary, sources of medical evidence of record, consulting physicians, hospitals, or any other source that may provide medical, psychiatric or psychological information;

5. Work all cases assigned by the NMDDS unless a prior professional or personal relationship exists with the claimant;
6. Attend Medical Consultant meetings/trainings as convened by the Director of Special Programs, the NMDDS Administration or the Chief Medical Consultant of the NMDDS;
7. Assist in the training of new Adjudicators regarding the medical, psychiatric or psychological aspects of body systems according to Disability Evaluation under Social Security guidelines;
8. Advise physicians or other members of the medical community of the medical and/or functional information required by the Social Security Administration for purposes of making a disability determination; and,
9. Attend specialized training regarding Social Security Regulations affecting the NMDDS program as required or authorized by the Agency.
10. The methods and procedures for providing these services will be as outlined by SSA requirements, as prescribed in POMS, and as specified in NMDDS policies, procedures, and other authoritative references.
11. **Completed case/medical assessment:** A completed case/medical assessment is a case that has **all** necessary forms (i.e. 416, RFC, PRTF and/or MRFC, etc) signed by the appropriate MC for closure **and** disposition by the NMDDS. A completed case means that all case actions have been appropriately addressed and taken for the case to be completed and disposed by the NMDDS.
12. **Non-Case related services/activities** include, but are not limited to:
 - a. Attending, preparing and/or conducting training for new MCs and/or Adjudicators
 - b. Staffing/Peer consultation
 - c. Attending required meetings
 - d. Traveling as required by the Agency
13. **New Medical Consultant (MC):** A new MC is defined as a Contractor who is to be paid at the base hourly rate of \$65 as described in Section I,B2 above. New MCs will be required to participate in a training program that is intended to enable the MC to attain and achieve SSA's and NMDDS's performance expectations. Upon successful completion of the training program, the Contractor will attain the status of Independent Medical Consultant.
14. **Experienced MC:** An MC who has previously worked at another state DDS in the nation and/or at the NMDDS and has already shown successful performance as an MC and may or may not require any amount of training. See 16c below for training requirements for experienced MCs.
15. **Independent MC:** An Independent MC is a Contractor who has successfully completed MC training (whether as a new or experienced MC; or, is an experienced MC who does not need additional training) and who can independently maintain the performance expectations outlined in Section I, C, Scope of Procurement, and who can maintain a satisfactory level of performance of the duties. An Independent MC transitions from the \$65 per hour during the new MC training,

maximum of 18 months, to being paid \$30 per completed case and \$60 per hour for every five (5) cases completed, as outlined in Section I, B2, Compensation Ratios. The reason for the change in the hourly rate is that the MC is expected to complete more claims and earn more on average than at the hourly rate while in training.

16. **Training Period:** At the beginning of the training period, the Contractor will be considered as a new MC or an experienced MC (with training needs identified as described below).
- c. The training period is structured to provide new MCs with a general overview of the SSA disability program as well as familiarize them with its policies and procedures. This orientation is intended to enable the new MC to achieve and maintain the status of an Independent MC through both group and one-on-one training sessions.
 - d. The six to eighteen month training period consists of formal presentations of one-on-one case collaboration at which point the new MC will be evaluated to determine proficiency. The eighteen months is a maximum and will not be exceeded for training purposes. The MC will be transitioned to the pay per case rate once the maximum months (18) of training are reached. If proficiency is not achieved, the contract will be terminated.
 - e. For MCs with past DDS independent MC experience, or past SSA independent MC experience, but who have **not been working as an MC for over 2 years, the expectation for the training period should** be markedly shorter and based upon the need for refresher training and one-on-one case collaboration to determine when the transition will be made to an Independent MC.

 - a. Medical assessments consist of a variety of actions as required by the Social Security Administration (SSA) to assess all types of disability claims according to the standards set forth in the SSA Program Operations Manual System (POMS) and Disability Evaluation under Social Security ("listings book"). Such activities include:
 - i. Assist in preparing and/or completing assessment forms based on review and analysis of adequate medical and nonmedical information (SSA-4734 Physical Residual Functional Capacity Assessment (RFC));

- b. Consultation consists of meeting/discussing with Adjudicative and other agency staff the adequacy of medical/psychological/psychiatric and other evidence, completing assessment forms and/or describing alternative actions;

3. Contact by telephone or letter, when necessary, sources of medical evidence of record, consulting physicians, hospitals, or any other source that may provide medical, psychiatric or psychological information;
4. Work all cases assigned by the NMDDS unless a prior professional or personal relationship exists with the claimant;

B. Services will be performed at the following:

New Mexico Disability Determination Services (NMDDS) Office

Currently located at:

7421 Bartlett N.E.
Albuquerque, New Mexico 87109

However, there is the potential of working as an Independent Medical Consultant out-stationed at a New Mexico SSA Field Office (SSA FO) or at another SSA FO outside of New Mexico, but within the Dallas Region, depending upon the availability of workspace

at an SSA FO in any one of the New Mexico cities with an SSA FO. The Dallas Region consists of the following states:

- Arkansas, Louisiana, New Mexico, Oklahoma and Texas

Unless specified otherwise, all Medical Consultant training and consultant services are to be performed at the NMDDS office in Albuquerque, New Mexico.

C. **Performance Measures:** Contractor shall substantially perform the following Performance Measures after becoming an Independent MC:

1. Provide a minimum of twenty (20) work hours per week, on average as measured quarterly (Federal Fiscal Year/Quarter) during normal office hours (7:30 AM to 5:00 PM) for NMDDS (does not include weekends, New Mexico State Personnel approved holidays or days that the NMDDS is closed for any reason during a regularly scheduled work day). No extended leave beyond seven (7) consecutive calendar days can be taken in the last six (6) weeks of each federal fiscal year and only one 7-day period of leave can be taken during this time. This measure can be waived due to extenuating circumstances (i.e. emergency leave). The federal fiscal year is from October 1 through September 30.
2. Maintain a Cumulative Substantive Accuracy Rate of 95% or better quality rating as determined by the NMDDS Quality Assurance Unit and/or the Social Security Administration Disability Quality Branch and/or the Office of Program Integrity Review.
3. Maintain an average turn-around time of three (3) workdays, including date of assignment, with either a completed case/medical assessment or recommendation for additional development.
4. Provide consultation as needed during the work week, which is based on the schedule of availability. Relief from this standard (by NMDDS management) in order to address workflow issues is not uncommon and will be documented by NMDDS as it occurs.
5. Increased volume of contracted services may be requested to address seasonal surges in case receipts, in which case a temporary schedule for availability will be negotiated with the Contractor.

D. **Evaluation:** NMDDS will conduct periodic monitoring to ensure compliance with the standards as established by POMS and that the contract is maintained. The results from the monitoring will be used to indicate the necessity for any corrective actions, remedial actions or adjustments to fee rates for these actions as defined in the Compensation section below.

E. The single point of contact for professional medical consultant services under this contract is the NMDDS Chief Medical Consultant (and the NMDDS Assistant Chief Medical Consultant in the absence of the Chief Medical Consultant). The point of contact for contractual and other administrative issues involving this contract is the NMDDS Director of Special Programs or NMDDS Administrator.

2. Compensation.

Federal Grant Program:	Social Security Administration – Grants to States
CFDA No.:	96.001

Contractor agrees to be governed by the requirements applicable for federal funding contained in the following federal regulations:

- 2 CFR 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

F. Compensation Ratios (Examples):

1. **New Medical Consultant (MC) contractors** will undergo a comprehensive SSA disability program orientation/training period for six (6) to eighteen (18) months, which is designed to develop an effective working knowledge of SSA disability program concepts in becoming an Independent/Experienced MC. However, if the new MC does not achieve an independent status after 18 months of training, there will be no additional hours or any additional months added beyond the 18 months of training. The result is that the MC contract will be terminated. Training time is compensated at the base hourly rate plus gross receipts tax (GRT) of:

\$65.00/hr. during the six to eighteen month orientation/training. Once the MC is deemed independent, the MC will then transition to compensation at the base rate of pay per case (\$30) and the base hourly rate (\$60) as described in Section B2b of this RFP. Training will not be extended beyond 18 months. However, an MC in training could transition sooner to the pay per case rate if all parties (the Project Manager, the Chief Medical Consultant and the MC trainee) mutually agree, if not, the MC can continue as a trainee at the trainee rate of pay of \$65 per hour until all parties mutually agree to transitioning to the pay per case rate or until the 18 months is completed. A contract resulting from this RFP will terminate if the MC does not become an independent MC after the maximum amount of training (18 months) is provided.

2. **Independent MC Contractors** will be compensated per completed medical assessment plus total time spent on non-case related services. However, the NMDDS will not reimburse for any case requiring corrective actions (Quality Assurance and/or Disability Quality Branch returns). MCs will be paid for their services at a base rate per completed assessment plus gross receipts tax (GRT) and a base hourly rate, plus GRT for any non-case related services (i.e. trainings, meetings, etc.). The following clarifies those rates:
 - i. Base rate per completed medical assessment for each State Fiscal Year included in the term of this contract:
 1. Physical Medical Consultant: \$30 per completed case
 2. Psychiatric or Psychological \$30 per completed case
3. The number of completed medical assessments for each State Fiscal Year contracted from this RFP is 0-4,200, depending on Agency need for the services rendered by the type of provider. The maximum number of completed medical assessments per medical consultant per State fiscal year shall not exceed 4,200. No amount of work is guaranteed from any contract resulting from this RFP. The NMDDS will be the final authority in determining whether a medical assessment prepared by the MC satisfies programmatic requirements. A medical assessment will be deemed completed for payment purposes when the MC, in compliance with policies and procedures, performs consultant services and the NMDDS accepts the completed medical assessment. Medical assessments of multiple or concurrent disability claims shall be counted as one (1) medical assessment, per claimant, for payment purposes. At the sole discretion of the NMDDS, the acceptance of the completed medical assessment may occur at the time of case closure from the NMDDS.
4. The NMDDS will determine the most effective and efficient method for assigning and distributing disability claims to the MCs for medical assessments. No Offeror receiving a contract resulting from this RFP is guaranteed any work.
5. In addition to the medical assessment services at the base rate per case (\$30), the NMDDS will occasionally require other non-case related services of Independent/Experienced MCs, such as assisting in the orientation and/or training of new MCs or adjudicators, attendance at mandatory agency meetings, scheduled face-to-face case consultation with adjudicative staff, etc. These additional services will be provided on an “as required” basis and paid at the Base Hourly Rate (\$60). Non-case related services will be directed and/or provided when approved by the Director of Special Programs or the NMDDS Administrator. Non-case related services will be paid by the base hourly rate of \$60.
6. For Independent MC contractors who have successfully completed training, the base hourly rate for non-case related services for each State Fiscal Year in any contract(s) resulting from this RFP is:

\$60.00 per hour (MC services) with a maximum of 1000 hours and a minimum of 200 hours for each Independent/Experienced MC each State Fiscal Year.
7. The maximum number of hours of MC services for which the MC is eligible for payment

shall equal one (1) hour of MC services for every five (5) completed medical assessments (5:1 ratio) computed on a monthly basis.

Example #1:

Complete 13 medical assessments (\$30 x 13)	\$390
Base hourly rate to be billed at 5:1 ratio	
<u>(10 completed assessments: 10 divided by 5 = 2 hours x \$60)</u>	<u>\$120</u>
Total billed/paid	\$510

Example #2:

Complete 13 medical assessments (\$30 x13)	\$390
Base hourly rate to be billed at 5:1 ratio	
(10 completed assessments: 10 divided by 5 = 2 hours x \$60	\$120
<u>Plus 1.5 hours (adjudicator training and MC meeting) x \$60</u>	<u>\$90</u>
Total billed/paid	\$600

8. Funding is from SSA at 100% for the contract(s) awarded under this RFP. However, successful Offeror(s) have no guarantee of any work as a result of contract(s) awarded under this RFP.

The successful Offeror(s) shall provide MC services for the NMDDS as described in the Scope of Procurement, Section C, at the fees described in this Section.

3. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE DFA. In accordance with NMSA 1978, § 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

4. Termination.

 2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency’s material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor’s notice of termination shall only be effective (i) if the Agency does not cure all material breaches

within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the Agency; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, "Appropriations", of this Agreement.
- C. **Liability.** Except as otherwise expressly allowed or provided under this Agreement, the Agency's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*
- D. **Termination Management.** Immediately upon receipt by either the Agency or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Agency; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

5. **Appropriations.**

The terms of this Agreement are contingent upon sufficient funds appropriated, authorized, and allocated by the Legislature of the State of New Mexico and/or by the federal government, as applicable to this Agreement. If sufficient appropriations, allocations and authorization are not made by the Legislature of the State of New Mexico and/or by the federal government, necessitating a decrease in the amount of contract funds available for expenditure by the Agency, this contract may be terminated or amended to a lower amount of funds upon written notice given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. **Status of Contractor.**

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the State of New Mexico. The

Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. 8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

9. Release.

Final payment of the amounts due under this Agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency.

applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

5) in accordance with NMSA 1978, § 10-16-13, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

6) in accordance with NMSA 1978, § 10-16-3 and § 10-16-13.3, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the Agency.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the Agency relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the Agency if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances.
