The New Mexico Disability Determination Services (DDS) is currently looking for New Mexico licensed physicians, psychiatrists and psychologists who would like to contract with the DDS to review medical information and assist in making medical determinations on claimants who have applied for Social Security Disability benefits. Respondents must be licensed to practice Medicine in the State of New Mexico.

THE NMDDS WILL ONLY CONSIDER CONTRACTING WITH LICENSED PHYSICIANS IN PERFORMING SSA DISABILITY MEDICAL ASSESSMENTS/REVIEWS DEPENDING UPON AGENCY NEEDS.

The DDS provides for paid training on how to evaluate Social Security Disability claims, office space, collegial relationships with other medical and psychological consultants, flexibility of hours and minimal liability. This is a great opportunity to supplement current income.

If you would like more information on this exciting opportunity or you would like to review and download a copy of the Request for Proposal (RFP) #20-6601-0001, you can go to the following link and access a copy of the RFP:
