Are You Aware . . . MEDICAL RECORDS REQUIREMENT

Physicians **MUST** provide complete copies of medical records to a patient or to another physician in a timely manner when legally requested to do so by the patient or by a legally designated representative of the patient: Medical Practice Act, 16.10.17.8.

The Board office receives numerous complaints from patients who are having difficulty getting their medical records from their physician's office. These complaints include records not being provided in a timely manner, requests being ignored, phone calls not being returned, records being withheld until payment is received, and office staff being rude or uncooperative. To avoid a formal complaint against the physician, investigators will make a courtesy call to the physician's office in an attempt to resolve the issue.

Failing to provide patient records is a violation of the Medical Practice Act and disciplinary action may result.

Keep Spreading the News . . . NMMB Continues to Waive Application Fees!

The New Mexico Medical Board (NMMB) will continue waiving the licensure application fee for applicants who choose New Mexico **as their first state of licensure**. This incentive began July 1, 2008, when the NMMB voted to waive the application fee on a trial basis in an effort to recruit and retain physicians in New Mexico. The Board will review the budgetary impact and determine the feasibility of continuing this promotion on an annual basis. Determining to waive this fee was a collaborative effort with the Governor's Health Solutions, NM Legislature, the NM Medical Society and the University of New Mexico pursuant to Senate-Bill 127, passed in 2008.

ATTENTION PHYSICIAN ASSISTANTS

On August 14, 2009, the New Mexico Medical Board considered a request to waive the licensure application fee for **physician assistants** who chose New Mexico **as their first state of licensure**. The Board approved this request effective immediately.

Physician Supply & Distribution Survey

In collaboration with the New Mexico Health Policy Commission, the New Mexico Medical Board (NMMB) is initiating the Physician Survey as a requirement of the 2010 renewal process. The purpose of the survey is to analyze physician supply and distribution in New Mexico. After January 1, 2010, a copy of the survey will be on the NMMB website for review prior to renewal.

Death Certificates & Vital Statistics

The key roles of the physician in Public Health are: *prompt* reporting of any public health emergencies; *early* reporting of important diseases and conditions, especially the *mandatory notification diseases*; and, the *prompt and accurate* completion of death and birth certificates. The Department of Health emphasizes the importance of calling the DOH [505-827-0006]: EARLY in the diagnostic process of suspected serious disease, even before testing; MID-DIAGNOSIS when a disease must be reported within 24 hours; and call WHEN A DISEASE SEEMS OUT OF CONTROL in your community. Your local County Health Office number can be obtained at 505-827-2389.

All the guidance you will need for the accurate completion of Death Certificates can be obtained at: http://www.cdc.gov/nchs/data/dvs/blue_form.pdf. An example of the completed form and complete instructions are included. More solutions to problems are found at: <http://www.cdc.gov/nchs/about/major/dvs/handbk.htm>. The form itself, with additional instructions, is located at: <http://www.cdc.gov/nchs/data/dvs/std-dcrt.pdf>. IMPORTANT ADDRESS CHANGE INFORMATION

The address the Board has on file for you is what **you** provide us. If you give us only a home address and no work address, then your home address is what we will use as your mailing address ... it's also the address we will include in the roster and post on the web site (www.nmmb.state.nm.us). Similarly, the specialty information we have is what **you** have provided us.

If you have provided the Board with both a home address and a business address, it is very important that you specify which address you are changing and to specify which address you want the Board to use as your mailing address. So please check the roster or the Board's web site and see what information we have for you. If it is incorrect, or you would like to add a practice address or specialty, you'll need to let us know ***in writing, by fax, letter, or e-mail.***

Address changes may be provided to Board Staff over the telephone, yet we will request that applicants or licensees follow-up the phone conversation with an e-mail, fax, or letter verifying the address change. You may also e-mail your address change by going to the home page of the Board's web site and click on "Address Changes" at the bottom of the page.
