REPORTED BY: KIM KAY SHOLLENBARGER, RPR  
PAUL BACA PROFESSIONAL COURT REPORTING  
500 4TH STREET, NORTHWEST, SUITE 105  
ALBUQUERQUE, NEW MEXICO 87102

1           CHAIR BEAUDETTE: This hearing will please come to  
2 order. I am Peter Beaudette, Chairman of the New Mexico  
3 Medical Board. I'll be acting as the Presiding Officer for  
4 this Rule Hearing.

5           The purpose of this hearing is for the Board to  
6 receive public comment on the proposed rule changes to  
7 16.10.2; 16.10.3; 16.10.4; 16.10.5; 16.10.9; 16.10.10;  
8 16.10.11; 16.10.14; 16.10.15; 16.6.3; 16.6.5; 16.6.7; 16.6.8  
9 and 16.6.9.

10           As a general summary, the proposed changes to 16.10  
11 involve changes to the term allopathic physicians to  
12 physicians so that both allopathic doctors, MDs, and doctors  
13 of osteopathy, DOs, are incorporated into the rule. The  
14 proposed rule adds osteopathic physician credentials and  
15 licensure requirements and adds the definition of physician,  
16 which means allopathic doctor or doctor of osteopathy.

17           As additional proposed changes is to add to the New  
18 Mexico Medical Board's licensing requirements a list specific  
19 criminal convictions that would -- did we skip one --  
20 disqualify an applicant from receiving a license based on  
21 previous felony conviction.

22           Sondra, do you want me just to go through that? Do  
23 we make any comments as we go through this now, or not?

24           EXECUTIVE DIRECTOR FRANK: No, we're just giving an  
25 overview about --

1 CHAIR BEAUDETTE: An overview, okay.

2 EXECUTIVE DIRECTOR FRANK: And if you need help  
3 reading through these, would you let us know. But we do need  
4 to read through them line by line.

5 CHAIR BEAUDETTE: Right, okay.

6 EXECUTIVE DIRECTOR FRANK: And just so the record is  
7 clear, the numbers are 16.10.3. They're not dash, but you  
8 need to read each point, just so the record is super clear.

9 CHAIR BEAUDETTE: Right.

10 16.10.3 is Examinations. As a general summary, the  
11 proposed changes to 16.10.3 again changes the reference from  
12 allopathic physician to physicians and adds the required  
13 exams for osteopathic medical licensing.

14 16.10.4 concerns Continuing Medical Education. As a  
15 general summary, the proposed changes to 16.10.4 adds the  
16 required continuing medical education for osteopathic medical  
17 licensing.

18 16.10.5, as a general summary, the proposed changes  
19 to 16.10.5 is to update the rule to add more relevant  
20 language and take out obsolete processes.

21 16.10.9, as a general summary, the proposed changes  
22 to 16.10.9 is to make grammatical changes to errors in the  
23 rule.

24 16.10.10 is the Reporting of Settlements, Judgments,  
25 Adverse Actions and Credentialing Discrepancies. As a

1 general summary, the proposed change is to add locum tenens  
2 or staffing agencies to the definition of health care entity.

3 16.10.11 Physicians Supervising Pharmacist  
4 Clinicians. As a general summary, the proposed changes are  
5 to update the rule language with current practice and  
6 licensing processes and requirements.

7 16.10.14 Management of Pain and Other Conditions  
8 with Controlled Substances. As a general summary, the  
9 proposed changes to 16.10.14 changes the term medical doctor  
10 to physician.

11 16.15 Physician Assistants: Licensure and Practice  
12 Requirements. As a general summary, the proposed changes to  
13 16.10.15 changes the term medical doctor to physicians.

14 And my computer has frozen here. Sondra, do you  
15 have -- for some reason I'm -- my computer has now refused to  
16 go any further.

17 EXECUTIVE DIRECTOR FRANK: Do you want me to  
18 continue reading for you?

19 CHAIR BEAUDETTE: I've got it. I've got it, okay.

20 16.10.15, Physicians Assistants: Licensure and  
21 Practice Requirements. As a general summary, the proposed  
22 changes to 16.10.15 changes the term medical doctor to  
23 physician. I'm sorry, we said that.

24 16.6.3. As a general summary, the proposed changes  
25 to 16.6.3 lower fees for naturopathic practitioner licensing

1 to align with the fees for other mid-level providers licensed  
2 by the New Mexico Medical Board.

3 EXECUTIVE DIRECTOR FRANK: This is naprapathic --

4 CHAIR BEAUDETTE: Naprapathic.

5 EXECUTIVE DIRECTOR FRANK: -- providers.

6 Naprapathic.

7 CHAIR BEAUDETTE: Naprapathic with a P, yes. I'm  
8 sorry.

9 16.6.5 Inactive Status, Reinstatement. As a general  
10 summary, the proposed changes to 16.6.5 allow for a  
11 naprapathic practitioner to inactivate their license with a  
12 one-time fee of \$25 as opposed to \$100 per year.

13 16.6.7 Licensure by Endorsement and Examination. As  
14 a general summary, the proposed changes to 16.6.7 combines  
15 the requirements for naprapathic practitioner licensing by  
16 endorsement and by examination. The requirements are similar  
17 and did not need to be separated in the rule.

18 Practice Procedures, 16.6.8. As a general summary,  
19 the proposed changes to 16.6.8 changes the name naprapathic  
20 physicians to naprapathic practitioner and also deletes a  
21 diagnostic procedure that is not used, breaches emergency  
22 assistance ministry.

23 16.6.9 Supervision of Interns. As a general  
24 summary, the proposed changes to 16.6.9 clarify the  
25 procedures for the supervision of interns and also changes

1 the term doctor to naprapathic practitioner.

2 May I remind everyone to sign the attendance sheet  
3 and be entered into the record at this hearing. Attendees

5 transcript.

2 (pause)

3 CHAIR BEAUDETTE: Hearing none, Exhibits 1 through  
4 18 are hereby admitted into the record.

5 Any persons wishing to testify and who wish to  
6 submit evidence with their comments shall do so when they are  
7 recognized to testify. Each document submitted shall be  
8 introduced as an exhibit into the record. Board members will  
9 be permitted to ask questions before I rule on the  
10 admissibility of the evidence. Upon admissibility, each  
11 exhibit will be marked and numbered and entered into the  
12 record.

13 Would anyone wish to comment on the proposed changes  
14 to the Board's rules that have been posted and advertised for  
15 30 days prior to this hearing and that I just summarized on  
16 the record?

17 MR. NUZZO: Hello. I am Patrick Nuzzo and I am with  
18 Southwest University of Naprapathic Medicine and I just  
19 wanted to state my full support of the changes as described.

20 CHAIR BEAUDETTE: Thank you, sir. Now, would anyone  
21 else care to comment on the rules that have been posted and  
22 advertised for 30 days, just as I summarized on the record?

23 Dr. Saini, would you -- I'm sorry, go ahead.

24 DR. SAINI: Sorry. This is Dr. Saini, the comments  
25 on 16.10.10. So am I supposed to give my comments now?

1 CHAIR BEAUDETTE: Yes, please do.

2 DR. SAINI: So I don't know if the Board has my  
3 written response, or written comments pulled up. Let me just  
4 pull them up for myself. I think the Board proposes to add  
5 the locum tenens and staffing agencies to the definition of  
6 health care entity. And, to my knowledge, I think New Mexico  
7 will be the only state or jurisdiction which would have such  
8 a requirement in its policies and procedures.

9 The current definition of health care entity is  
10 pretty similar to the definition which is in the National  
11 Practitioner Database Guide Book and the Health Care Quality  
12 Improvement Act, which basically deals with what needs to be  
13 reported to federal government agencies about certain actions  
14 on a physician's license or practice. None of those entities  
15 have locum tenens or staffing agencies as a health care  
16 entity, primarily for the chief reason that none of these  
17 agencies actually follow any defined peer review process  
18 which would give a physician notice of the complaints against  
19 them, an opportunity to be heard or present evidence in  
20 support of their viewpoint. And without the proper peer  
21 review process as the American Medical Association has  
22 recognized, it is very unfair for physicians to be labeled as  
23 unqualified or lacking professional competence or conduct.

24 So in summary, I will say that if the New Mexico  
25 Medical Board has locum tenens or staffing agencies which are

1 primarily in the business of staffing hospitals with doctors  
2 and do not offer any peer review process in case there's any  
3 event which might reflect poorly on physician's competence or  
4 conduct, I think the Board is opening up a lot of matters for  
5 investigation and it will put unnecessary strain on  
6 physicians and will take time and energy away from patient  
7 care.

8 Thank you.

9 CHAIR BEAUDETTE: Thank you, Dr. Saini, we  
10 appreciate your input. Can I ask, are you practicing in New  
11 Mexico currently now, or not?

12 DR. SAINI: Yes, sir.

13 CHAIR BEAUDETTE: What sort of practice do you have  
14 now?

15 DR. SAINI: I work at a rural health clinic as an  
16 internist.

17 CHAIR BEAUDETTE: I see, okay. Thank you. Now, do  
18 any Board members have any questions of the witness?

19 (pause)

20 CHAIR BEAUDETTE: Would anybody in the audience care  
21 to question the witness?

22 (pause)

23 CHAIR BEAUDETTE: Hearing none. Are there any other  
24 comments on any of the rule procedures?

25 (pause)

1 CHAIR BEAUDETTE: Hearing no other comments, at this  
2 time the attendance sheet shall be marked as an exhibit and  
3 entered into the record.

4 EXECUTIVE DIRECTOR FRANK: I ask permission of the  
5 attendance sheet as Exhibit Number 19.

6 CHAIR BEAUDETTE: Do we need to vote on that,  
7 Sondra?

8 EXECUTIVE DIRECTOR FRANK: No. You control that, so  
9 as long as you say, "Exhibit 19 is admitted into the record,"  
10 then it is admitted.

11 CHAIR BEAUDETTE: Exhibit 19 is admitted.

12 So the comments submitted and discussion heard  
13 during the Rule Hearing will be considered and will be  
14 discussed further by the Board during the Opening Meeting  
15 following the Rule Hearing. The proposed rules will be voted  
16 on by the Board at that time.

17 Any rules adopted by the Board shall be filed by  
18 State Records and Archives in accordance with the State Rules  
19 Act and New Mexico Register publication deadlines. The  
20 adopted rules become effective 30 days after they are filed  
21 at Records and Archives.

22 The regular meeting of the Board will begin  
23 immediately following the Rule Hearing.
